

## More Than Just a Technique

HawkGrips is a wellness-centric organization that consciously supplies clinicians with the highest quality handcrafted instrument sets, creams, emollients, and curated educational courses to improve their patients' quality of life.

# HawkGrips® Solutions

Clinicians are facing the additional challenge of having to do more with less time while also addressing patient safety, personal safety, and risk mitigation. HawkGrips Products offer real solutions that save valuable time without comprising care and safety.

### HawkGrips® Emollients

HawkGrips® is the perfect professional lubricant for Instrument Assisted Soft Tissue Mobilization (IASTM). Our Emollient enables clinicians to provide comfortable and effective treatment for patient comfort and to achieve successful outcomes. Also available in convenient single-use packets for infection control.

**Recommended for use with HawkGrips® Tools**  
Available in Vanilla and Fragrance Free

### HawkGrips® Professional Massage Cream

HawkGrips® Professional Massage Cream enhances soft tissue therapy and assists clinicians in achieving successful patient outcomes. Clean ingredients and paraben free, safe for repeated use.

**Recommended for most Manual Therapy Techniques**

### HawkGrips® Therapeutic Massage Lotion

HawkGrips® Therapeutic Massage Lotion is a lightweight formula that is easily absorbed by the skin while maintaining superior workability for all manual therapies. Our clean formula is safe for repeated use by clinicians and provides exceptional glide for an enhanced patient experience.

**Recommended for most Manual Therapy Techniques**

### HawkGrips® HawkHydro Water Based Emollient

HawkGrips® HawkHydro is essential for all clinics. Our water-based emollient is specially formulated to provide effective and consistent results while reducing valuable clean up time between modalities. The 4oz no mess squeezable bottle reduces cross contamination concerns.

**Recommended for IASTM and Kinesiology Taping and Dynamic Cupping**
